Here's something worth learning  
before you study in New Zealand.

# We understand students like no one else

If you're an international student studying in New Zealand, the Government requires you to have medical and travel insurance while you're here.

OrbitProtect Student is no ordinary medical and travel insurance. It's been designed just for you. Whether you live in a flat or a home stay, your possessions are covered. OrbitProtect Student even covers you during your journey from home to New Zealand. And when you graduate, our insurance plans will keep you covered if you decide to stay on under the New Zealand open work permit programme.

All our plans are underwritten by one of New Zealand's largest insurers, **NZI**, a business division of **IAG New Zealand Limited**.

Things can go wrong even in New Zealand!

## Medical care

If you unexpectedly become ill, or suffer an accident or injury, you won't have to worry about paying for your medical care. We will pay for your doctor, hospital and day care treatment costs.

## Medical evacuation

In serious circumstances, as a result of injury or illness, you may need to be returned to your country of origin. At such a stressful time we will help you by taking care of the costly expenses involved, allowing you to totally focus on the most important matter – your recovery.

## Loss of tuition fees

If, due to unforeseen circumstances (as specified in the policy), you have to cancel your course (for example due to illness or injury) we will reimburse you for any loss of tuition fees.

## Property

We understand that you may be in New Zealand for a long period of time and may have a wide range of personal property with you. The Prime plan provides you with a generous amount of cover for your general property or you have the option to insure specific items under the Lite plan.

**IMPORTANT** Please read the Benefits Summary on this brochure and visit [www.orbitprotect.com](http://www.orbitprotect.com) for all terms, conditions, exclusions and excesses that apply to these insurance plans.

## Individual high-valued items

The Prime plan gives you full cover for any items, pair or sets of items (like cameras or computers) that are valued in excess of NZ\$3,000 when you specify these items on the application form. You can also specify property cover under the Lite plan (additional premiums apply).

## Pre-existing medical conditions

You are NOT automatically covered for pre-existing medical conditions. However, cover can be arranged in certain circumstances for a small processing fee of NZ\$40. Additional premium applies if we agree to cover your pre-existing medical conditions.

## Special medical benefit!

There are advantages in continuing unbroken cover with us, but please understand we are not obliged to provide you with a new policy when your current policy ends. Please contact us for more information.
