Kia Ora

Welcome to ATMC NZ, a leading education provider for students seeking industry relevant qualifications. ATMC offers a variety of diploma and degree programmes, delivered in a student-focused environment and taught by highly experience and qualified academics. Graduates will be well-prepared for their chosen career path and an exciting and rewarding career.

Message from the CEO

Kia ora and welcome to ATMC Aotearoa, New Zealand.

As the CEO of ATMC Aotearoa NZ, I am deeply committed to the transformative power of education. I take immense pride in our longstanding tradition of delivering practical and experiential learning opportunities that prepare our students for success.

At ATMC Aotearoa NZ, our mission is to equip students with the skills and knowledge necessary to become highly employable and valued within their industries.

We achieve this by emphasising the development of essential competencies, including communication, collaboration, critical thinking, and creativity, alongside the specialised knowledge required in their chosen fields.

You will experience a vibrant and dynamic community at ATMC Aotearoa New Zealand, characterised by enthusiasm and a forward-thinking mindset. We actively seek students who share our commitment to personal and professional growth, as we work together to shape a promising future.

Our objective at ATMC is to provide you with practical, experience-based training that lays the foundation for a meaningful and successful career. Our programmes are facilitated by experienced educators who possess a wealth of industry knowledge and research expertise. They are dedicated to supporting you throughout your educational journey and preparing you for the demands of the workplace.

Research plays a critical role in informing our curriculum, fostering new insights, and ensuring that our teachings remain relevant and future focused. ATMC engages in research across a range of disciplines, including business, management, information technology, healthcare, and the arts.

We understand the unique challenges that international students may encounter while living, working, and studying abroad. Our commitment is to create a safe and supportive environment for all students. In addition to providing robust academic support, ATMC takes pride in facilitating community engagement through cultural, sports, and recreational activities.

I wish you great success in your studies and look forward to celebrating your achievements at graduation.

Dr. Ranbir S. Batth
Chief Executive Officer, ATMC NZ

Why Study in New Zealand ?

QUALITY LEARNING

The New Zealand education system is based on the British education model and the programmes are well known for their quality of teaching and advanced facilities. New Zealand offers high-quality services to support its international students.

TUITION FEES & COST OF LIVING

New Zealand is a value for money study destination. The cost of living is similar to other OECD countries, and is teamed with an excellent work/life balance and a high quality of life.

LIVING IN NEW ZEALAND

Renowned for its friendly people, spectacular landscapes and relaxed lifestyle, New Zealand is an unbeatable place to live and study

WORK WHILE YOU STUDY

You may be able to support your studies with paid work. A part time job will give you valuable experience in the New Zealand workplace.

MÄORI CULTURE

New Zealand's Mäori culture is an integral part of life in New Zealand and adds a unique, dynamic experience for students.

SAFE AND STABLE SOCIETY

New Zealand is ranked the safest country in the Asia-Pacific region by the Global Peace Index, noted for safety, security, and political stability, and is also the world's fourth least corrupt nation, according to Transparency International.

Auckland the City of Sails

Auckland is New Zealand's biggest and fastest growing city with a population of 15 million. As the financial and economic centre of the country it provides international students to New Zealand with a wide range of study and work options

Located between two stunning natural harbors, Auckland offers an unparalleled blend of urban sophistication and natural beauty, making it a vibrant and welcoming destination for students. The city boasts a wide range of world-class amenities and attractions that cater to every interest and lifestyle. From thrilling entertainment venues and diverse shopping options to an impressive array of restaurants, bars, and art galleries, Auckland provides a dynamic cultural experience.

Transportation is seamless and convenient, allowing students to explore the city effortlessly and enjoy its many offerings. Beyond the urban hub, Auckland is a gateway to breathtaking natural wonders. Its proximity to pristine beaches, sprawling regional parks, renowned vineyards, untouched native forests, and serene islands ensures endless opportunities for adventure and relaxation.

Whether you're seeking academic success, cultural enrichment, or outdoor escapades, Auckland is a place where every moment is filled with discovery and inspiration.

BEST PLACE TO DO BUSINESS IN THE WORLD

as ranked by Business Insider 2018

BEST COUNTRY IN THE WORLD

Student Services and Support

Our student services team recognise that studying abroad can create many challenges for international students. These can include language and cultural differences, the pressure of family expectations, academic workload, finding employment, and being away from friends and family.
At ATMC NZ, we have a very experienced student services team who provide all the necessary support and guidance for you to have the most rewarding experience whilst studying, living and working in New Zealand.

Services include:

Student career advice and job seeking
Career advice and guidance, in addition to preparing for work in New Zealand, we provide workshops in job seeking, job applications, resume preparation, and interview techniques. We are also able to connect you with our many industry networks and potential employers. We support and guide you, so you feel confident in arranging your work placements or internships.

Student activities at events
ATMC has an extensive programme of activities at events aimed to provide students with opportunities to make new friends and experience the best that New Zealand has to offer. These events and activities include barbecues and picnics, cultural celebrations, adventure activities and visiting the sites of Auckland and the surrounding areas.

Other services include providing safety and security information including water safety, safety in the outdoors and being sun safe, coordinating homestays, connecting with local clubs and businesses.

Research At ATMC NZ

At ATMC NZ our research vision is to:

Develop a rich research culture that supports and engages learners and staff and contributes to new knowledge and understanding in fields related to ATMC NZ's programmes.

ATMC NZ's research goals are to:

- Support the quality and content of ATMC NZ's programmes.
- Develop the research skills and capabilities of staff and students.
- Contribute to industry through applied research activities
- Broaden the research base across the organisation
- Provide research-related professional development opportunities
- Integrate capstone projects in our programmes to enrich research activity
- Provide opportunities for research collaboration between students, staff and with other educational institutions

ATMC NZ's academic team have a history of undertaking and publishing research in the areas of business, management, information technology, healthcare and the arts. Their research focusses on the generation of new knowledge and understanding and aims to support the curriculum of our programmes. Sometimes, their research is presented at national and international conferences and are published in magazines and journals both in New Zealand and abroad.

Most of the programmes at ATMC, provide the opportunity for students to undertake their own research, whilst being supported by a research supervisor. This is often enabled through capstone projects focused on generating solutions to real world problems. Research activities will enable you to develop deeper understandings of your chosen industry and will also better prepare you for further postgraduate level study should you choose to continue your studies.

We encourage highly qualified,
and research active teaching staff

How to Apply

STEP
01

Choose your programme and check if you meet the academic and English language entry requirements.

STEP
02

Apply with the registered list of agents for ATMC NZ in your country

STEP
03

Once your application is complete and we have received all necessary documentation from your agent, it will be assessed by ATMC NZ staff

STEP
04

If your application is successful ATMC NZ will issue you an offer of place. Accept your offer of place by following the instructions in your offer letter.

STEP
05

Apply for a student visa at Immigration New Zealand (INZ).

STEP
06

Once your Approval in Principle (AIP) is issued by INZ, you will need to pay your tuition fees, then obtain health and travel insurance through ATMC NZ before leaving your country.

Important Information

Living Costs

In addition to your tuition fees, you will need to pay for textbooks and your personal expenses. If you enter New Zealand on a student visa, Immigration New Zealand requires you to have evidence of how you can support yourself by having access to NZ$20,000 in addition to your course fees for each year you will be studying in New Zealand.

While the above is required, Living costs can vary depending on your accommodation choice. You can search for further information at: https://naumainz.studyinnewzealand.govt.nz/

International Student Support

Our student services team is here to help you succeed throughout your studies. They can help with any questions you may have such as, health insurance, accommodation, transport to campus and general information. They are here to support your wellbeing and can help you connect with the relevant support services

We run an orientation programme to help you settle in, along with a number of workshops throughout the term to help you develop good study practices and examination skills.

ATMC NZ is committed to ensuring an active, enriching campus life. We have excellent facilities at our campus as well as information on associations and clubs to meet the needs of the student community.

The Education (Pastoral Care of tertiary and International Learners) Code of Practice 2021

The Code sets out the roles and responsibilities of education providers in promoting and supporting your wellbeing, safety, and academic success. ATMC NZ is a signatory of the Code, and therefore bound to ensure you are kept safe, as well as ensuring you are supported in your learning and wellbeing and are provided with a say in your educational journey.

Immigration

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand's website at www.immigration.govt.nz

Study and Work in New Zealand

New Zealand Immigration provides options for students to work while studying. You can search for further information at: https://www.immigration.govt.nz/new-zealand visas/explore-visa-options
https://www.immigration.govt.nz/new-zealand-visas/apply-for-a-visa/visa-factsheet/full-fee-paying-student-visa

Eligibility for Health Services Medical and Travel Insurance

ATMC NZ is a signatory to the Education (Pastoral Care of Tertiary and International Students) Code of Practice 2021, which requires all international students to have full and comprehensive medical and travel insurance. It is our responsibility under the Code of Practice to ensure that all enrolled international students have the appropriate insurance cover, ATMC NZ can arrange compliant insurance cover that meets the requirements on payment of an additional charge. Full details are stated in the Student Handbook.
